## Work Experience

---

**Software Development/Web Development** – *Freelance*

**2010 – Present**

[www.ersteinle.com](http://www.ersteinle.com)

Since beginning my career in software development I have worked on a variety of projects, specializing in web development. Projects that I have headed include:

- **Lake Village Aero Service Inventory Management System**  
(*PHP, HTML, CSS, Javascript, SQL*)
- **Illiansoaring.com**  
Aviation Group Website with scheduling and personal achievement section  
(*PHP, HTML, CSS, SQL*)
- **BrewRegion.com**  
Social website for sharing brewery related events  
(*PHP, Lavavel, HTML, CSS*)
- **Lakevillageairport.com**  
(*PHP, HTML, CSS*)
- **DownCloud App**  
Smartphone based app that measures altitude and broadcasts it to ground based station  
(*Android Development, Unpublished*)
- **SkyScale App**  
Mobile weight and balance computer for general aviation aircraft  
(*Android Development, Unpublished*)

## **Board of Directors Member *and Relation's Manager***

**2013 – 2016**

*Park Forest South Aviation Group*

[www.illianasoaring.org](http://www.illianasoaring.org)

I serve on the board of directors at Park Forest South Aviation Group (PFSAG), a non-profit aviation education group. Our mission is to promote general aviation through hands on education and by providing support for the US Civil Air Patrol cadet training program. My dual responsibility as relation's manager and board member have placed a variety of responsibilities on me including:

- Website design, development, and maintenance
- Social media implementation and handling
- Leadership and membership communication
- Financial allocation and monitoring
- Risk mitigation and problem solving

## **Pilot and Crew Member**

**2011 – Present**

*Lake Village Aero Service and Park Forest South Aviation Group*

[www.lakevillageairport.com](http://www.lakevillageairport.com)

[www.illianasoaring.org](http://www.illianasoaring.org)

My aviation experience has cultivated my dedicated work ethic, as well as an aptitude for communication and interpersonal skills. I began in inventory management, and began flying for Lake Village Aero Service and PFSAG in 2010. Through my flight experience I developed an innate ability for:

- Cockpit Resource Management/Efficient resource utilization
- Communication (ATC, Crew, Preflight briefings)
- Rapid problem solving and fast analysis
- Long term and short term planning

## **Education**

---

### **Purdue University Calumet**

**2012 – 2016**

Bachelor of Science in Management

*Management Information Systems (MIS)*

*Focus in Software Development*
